>When I think of what I've been through<br>I can see that you've always been there for me

>To tell the truth I don't know what I'd do<br>Without you, none of my dreams would have come true.

>Hilde is seen being able to go adventure in the world. Hilde twirls in the middle of the park and Duo's smiling. Hilde is now seen with Duo who's watching TV at the moment. She smiles thinking how much Duo's done for her. She remembers the time in Libra when she tries to escape with the disk and how Duo was there for her. <br>(You are the one) that I have called for.

>(Now my life) means so much more<br>(Now we can be) together forever

>(Forever just you and me)<br>Me here for you

>You here for me<br>Hilde was so happy with Duo. She wishes to be with Duo forever. And now she realized she's in love with Duo. Then a upcoming smile appears with a sigh.She's been there for Duo as she recalls. Her life meant something when Duo was in her life.

>You<br>Chorus:

> It was you who showed me I got a friend in you <br> I always knew

that you'd be right here for me  
> And it was you who stuck with me when the skies where blue <br> And  
it was you who stayed by my side, it was you!  
>When she saw Duo for the first time she noticed something great in  
him.. Something that she could sense, somthing great.<br>A flashback  
occurs when she was sitting on the very bench when she thought about  
going to the circus. It was a nice day  
>and the clouds were out of the way and the skies were blue as  
always, but today they were more of a light shade of blue, a shade  
she favors very much. She knew why, it was because Duo who was  
sitting there with nothing to do or talk about. She smiled for a  
short times moment. <br>Since the day you came in my life  
>I knew then that you'd be someone right by my side<br>Then you  
proved you're a friend to me  
>In my heart, forever you will always be<br>She still remembers why  
she go up to Duo when she first saw him, because it was whatever she  
sensed. It felt like a angel to pointing toward him like something  
great would happen in the future, and it did. She still remembers why  
and held it in her  
>heart that he's a great friend. Another flashback occurs when they  
were together in the house in L2. She remembers why Duo wanted her to  
stay, because he didn't want her hurt,if she went Duo would go crazy  
for a few seconds or minutes. She found out she got a loyal and  
protective friend. One she would care for the most. <br>(You are the  
one) the one (that I had hoped for) I've been hopin'  
>(Now my life) means (means so much more) means so much to me<br>(Now  
we can be together forever) Together you and me  
>(Just you and me)<br>(There for each other)  
>And I knew it was you<br>Now she's shown kicking her shoes of  
happily and now laying on the bed. Still trying to remember events  
she wanted to remember, the ones that were great. It's still good  
thing we're still together she thought with happiness.  
>Repeat Chorus 2x<br>It was you who was always right by my side  
  
>And I just can't do it; you helped me through it<br>We're friends  
forever, like best friends should be  
>You'll always be<br>a special part of me!  
>It was you!<br>Repeat Chorus 2x  
>It was you who showed me I got a friend<br>I always knew that you'd  
be right there  
>It was you who stuck with me when skies where blue<br>It was you!. I  
knew that I could count on you  
>Repeat Chorus<br>You are a friend to me. It was you.  
> Almost dozing of to sleep grinning in her sleep he was the one for  
her. The only best friend she had but the best one she  
had.<br>~Owari~
